Yugandhar Novel Review - Yahoo Voices Ravi Shankar Pavaskar, Los Angeles Times book critic, praises Deo's writing style and states that Yugandhar is a "delightful first novel". <http://articles.latimes.com/2017/jun/18/local/la-me-yugandhar-20170618> "Yugandhar is a wonderful first novel". "An absorbing story of family, opportunity and secrets, this book is written with panache, verve and the clear vision of the ambitious while still in its infancy. Set in contemporary Mumbai, Deo's Yugandhar takes readers through the interwoven stories of three generations of one family." This book is worth your time. <https://www.pankhudi102fm.com/?p=10490> "A magnetic debut novel by a newly minted writer. It is also a story about the changing world, about the changing middle class and all its fears and prejudices. It is a coming-of-age story in a big way. And in short, it is a slice of Mumbai life in the 21st century that will be familiar to many." <http://www.thehindu.com/books/reviews/yugandhar--a-darkly-comic-mirror/article24679313.ece> "Sudhir Deo's Yugandhar is an absorbing story of survival, resurrection and family secrets set in contemporary Mumbai."
